

MESSAGE FROM THE MAESTRO

The WSO is returning to the stage after one of the most successful seasons in our 57-year history. Average ticket sales per concert were the highest ever, every performance received high praise, and our connection with the audience was never stronger. I am confident that our upcoming season will rise to even greater heights.

WSO offers great music selections performed by a superb orchestra, incredible soloists, very reasonable ticket prices, and convenient free parking. The stunning

1900-seat auditorium offers comfortable seating and excellent acoustics – all of which contribute to an outstanding music experience.

Featuring a lineup of outstanding guest artists and varied programs, our 58th season is destined to be among the very best.

I encourage you to share this brochure with your friends and family and take advantage of the substantial discounts offered for season subscribers.
