

Message from the Maestro

The **2026 – 2027 season** marks the **60th anniversary** of the Warminster Symphony Orchestra.

The full story of the orchestra’s inception and growth over the years is fascinating and inspiring. This milestone is something everyone involved with the WSO, past and present, can and should take pride in celebrating.

Our celebratory programs will feature guest soloists of national and international renown, the superior talents of our own musicians, and the incredible winners of our Young Artist Competition, performing all-time audience favorites from the orchestra’s archives.

From our opening concert featuring the one and only Ciaran Sheehan, star of *Phantom* and *Les Mis*, and a host of his friends; to our finale concert featuring “America’s Violinist” Jenny Oaks Baker, and two of her fabulously talented children, Hannah, piano, and Sara, cello; our entire 60th season will be unforgettable.

Once again, we are offering very reasonable subscription prices, easy and free parking, and a stunning 1900-seat venue with excellent acoustics. In short, the WSO offers a musical experience that is far beyond the level of a local orchestra.
